

1. Print on thick paper.
2. Cut out the character(s).
3. Cut out the (X) holes on the puppet and puller using a hole punch tool.
4. Use a push pin to make small holes at the tops of the arms and legs.
5. Assemble your puppet with round head fasteners.
6. Tie arms, legs, and puller together (see diagram).
7. Finish by adding a string to hang the puppet from the top of its head
